

# FREE PRIVATE WELL WATER SCREENING

WEDNESDAY, AUGUST 27TH

1:00 PM - 6:00 PM

STEARNS COUNTY FAIRGROUNDS  
COMMUNITY CONNECTION BUILDING  
1105 ASH ST S, SAUK CENTRE, MN 56378

**PRE-REGISTRATION IS ENCOURAGED!**

Scan the QR code or visit  
our website at  
[stearnsco.org/privatewell](https://stearnsco.org/privatewell)  
to find the form.

## What to bring:

- In a clean container, collect 1 quart of cold tap water from your kitchen sink. If your household uses treatment other than a water softener, take a sample before and after treatment (label accordingly).

## Can't make the event?

- Drop off your sample at the Sauk River Watershed District office (642 Lincoln Rd, Sauk Centre, MN 56378) between 7:00 am - 12:00 pm on August 27<sup>th</sup>.
- Includes on site screening for nitrates and chlorides which are common contaminants in Minnesota's groundwater. Discounted arsenic tests will be available through Traut Companies for \$20.
- Groundwater experts will be available for free consultations on concerns you may have about your well and drinking water.
- Visit [www.StearnsCD.org](https://www.StearnsCD.org) or call 320-251-7800 ext.3 for more information.
